PONDICHERRY ENGINEERING COLLEGE CAMPUS, PUDUCHERRY

PRESS RELEASE

CENTAC/Admin/2018-19

Date: 06.04.2018

The merit lists for PG-Medical/Dental Degree courses in respect of Government Quota and All India Quota (Management Quota) including UT of Puducherry students were published on 02.04.2018. Objections, if any, were invited. Few objections have been received regarding PG-Medical list. The gist of the same and the remarks are as follows:

1. Some candidates have requested to consider the category (SC, OBC etc) cut-off marks for preparing PG-Medical merit list for Management Quota.

Remarks of CENTAC:

The PG-Medical seats under Management Quota are filled on All India basis (except in case of minority institutions) without applying any reservation. As such the cut –off marks applicable for "Genl" (unreserved) category only are considered.

2. Some candidates have informed that their applications have been processed but their names have not figured in the merit list.

Remarks of CENTAC:

For computer based counselling entering of preferences of courses is mandatory and without the entry of preferences counselling can't be done. 22 students who have not filled in preferences were reminded through SMS for updating the preferences. Despite that, the preferences have not been filled. Hence their applications have not been considered. One candidate who had not submitted the preferences could not be reminded and the preferences submitted by the candidate subsequently have been considered and added to the merit list.
